January 7th & 8th, 2015 The electrical section of the 59th Annual Institute for Building Officials includes an 6-hours of NEC and 2-hours of related technical continuing education. The Minnesota Dept. of Labor & Industry has approved each day for 8-hours of continuing education credit.

59th ANNUAL INSTITUTE FOR
Building Officials
JANUARY 7-16, 2015

The winter meeting will be at 4:45 pm, January 7th immediately following the first day of the Building Officials Institute. After the business meeting and installation of the 2015 officers, all members are invited to a social gathering at the nearby Chianti Grill.

April 15, 2015 The spring meeting will be at the IBEW Local 110 JATC, 1330 Conway Street, Saint Paul. The business meeting starts at 12:00 pm and will be followed by a presentation approved for 2-hours of CE credit.

Stephan Jurgens invented the Self-regulating Technology of Electro Plastics in 1981. He and his wife Monica will present the science behind radiant heat and this unique product originally created to safely heat automobile seats. The Step© Warmfloor technology is now used to prevent ice build-up on Alaskan tug boats, keep sensitive electronics working in Antarctica and provide safe heat for hospital beds.

September 20 to 23, 2015 IAEI Western Section Annual Meeting will be held at the Snow King Resort in Jackson, Wyoming. Topics will include a review of the Public Input for the 2017 National Electrical Code.

More information, including registration information, will be available in the July/August issue of IAEI News magazine and at the [Western Section](#) or [Wyoming Chapter](#) IAEI websites.

October 14, 2015 The fall meeting will be held at the Minnetonka [Community Center](#), 14600 Minnetonka Blvd. Minnetonka, Minn. Business meeting at 12:00 pm followed by an approved continuing education program, TBD.
